## BRIGHTSPACE API REFERENCE

[ [home](#) · [reference](#) · [community](#) | [search](#) · [index](#) · [routing table](#) · [scopes table](#) ] · What's in the Brightspace developer platform? »

This API reference organizes material in several ways, but principally, we organize topic pages by the kinds of data resources you will be passing back and forth with the Brightspace API.

### Getting started

If you're new to the Brightspace REST-like APIs:

<a href="#">What's in the Brightspace developer platform?</a>	<a href="#">Core API concepts</a>	<a href="#">Service administration topics</a>
<a href="#">First steps with the Brightspace APIs</a>	<a href="#">Integrating with the Integrated Learning Platform UI</a>	

### Reference

Choose a resource entry to find out about the way the API structures that resource, and the common actions you can perform that involve it.
